

DAN & COMPANY STUDIOS

OCTOBER NEWSLETTER

Welcome to our first newsletter for the 2019-20 Season! Please read for very important dates and information!

*****IMPORTANT SAFETY MESSAGE!!** The curb in front of Studio is not a parking or carpool lane. Dunwoody Police have warned us about this. This is extremely dangerous for the children exiting the studio and creates blindspots for kids crossing the street getting to their parents. It is a two lane driving street, so students stepping out between two cars cannot see or be seen by oncoming traffic. Please park in the parking lot to come in and get your child or carpool. Please help us to control this!

****If you have later classes after our business hours end at 7:00, please put checks in the "Tuition Drop Box" on the wall behind the desk, or use our online portal to check your balances or make payments. We will also continue responding to emails even after business hours if you have any questions.**

Payments: Tuition is due the 1st of each month, and those enrolled in autopay will run that day. Anyone not enrolled in autopay will be responsible for checking the online portal for balances and either paying online or by check by the 10th. Late fees are assessed electronically after the 10th, and cannot be reversed. **** Classes are excused for sickness and Religious holidays. We do not deduct for classes missed. You may make up classes you miss in another class.**

Reminder: There is a 30 day written email notice required to withdraw from a class.

Always remember to email us with ANY questions you may have at dunwoodydance@gmail.com
